7.01. Other Events**

On May 2, 2013, Tempur-Pedic International Inc. (the “Company”) announced that it had updated its product and channel reporting methodology in light of the acquisition of Sealy Corporation in the first quarter of 2013. The Company provided tables showing the Company’s historical net sales data using the new product level and channel level sales categories for 2011 and 2012 by quarter and full year, and no other adjustments to the historical information have been made. The tables reflect information for Tempur-Pedic only and do not include any information for Sealy Corporation. A copy of the supplemental information is furnished as Exhibits 99.1 to this Current Report.

The information in this report (including Exhibit 99.1) shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liability of that section, and shall not be incorporated by reference into any registration statement or other document filed under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

Exhibit	Description
<u>99.1</u>	"Document titled "Tempur-Pedic International Inc. (TPX) – Historical Sales Information Using New Product and Channel Level Categories"

Tempur-Pedic International Inc. (TPX) -- Historical Net Sales Information Using New Product and Channel Level Categories

Tempur-Pedic International Inc. (the "Company" or "Tempur-Pedic") has updated its product reporting methodology in light of the Sealy acquisition. Going forward, the Company will provide product level net sales data for "Bedding" and "Other products". "Bedding" includes mattresses, foundations and adjustable foundations and "Other" includes pillows and various other comfort products and components. Historically, the Company has provided product level net sales data using the categories "Mattress", "Pillows" and "Other", which primarily included adjustable bed bases and foundations and other comfort products.

Set forth below are tables showing the Company's historical net sales data using the new product level sales categories for 2011 and 2012, by quarter and full year. The information presented is for Tempur-Pedic only, and does not include any information for Sealy Corporation. In addition, the information presented only reflects the recategorization of product level net sales data and no other adjustments to the historical information have been made.

Segment definitions:

"Bedding" include mattresses, foundations and adjustable foundations.

"Other Products" includes pillows and various other comfort products and components.

Tempur-Pedic International Inc. (TPX)

The Company has updated its channel reporting methodology in light of the Sealy acquisition. Going forward, the Company will provide channel level net sales data for "Retail", "Direct" and "Other". "Retail" and "Direct" are unchanged from the Company's prior classifications and "Other" now includes third party, health care and hospitality. Historically, the Company has provided channel level net sales data using the following categories: Retail (furniture, bedding and department stores); Direct (direct response, Internet and company-owned stores); Healthcare (hospitals, nursing homes, healthcare professionals and medical retailers); and Third party distributors in countries where Tempur-Pedic does not sell directly through its own subsidiaries.

Set forth below are tables showing the Company's historical sales data using the new channel level sales categories for 2011 and 2012, by quarter and full year. The information presented is for Tempur-Pedic only, and does not include any information for Sealy Corporation. In addition, the information presented only reflects the recategorization of channel level net sales data and no other adjustments to the historical information have been made.
